NEW BUILD VILLAS IN LA FINCA GOLF

New Build project of 7 villas situated on the front line at La Finca Golf Resort, close to the 5 star hotel.

Villas with 3 bedrooms and 2 bathrooms on a single level, including fully equipped kitchen, with private swimming pool. A private indoor parking space with pergola, electric shutters, management system and alarm system totally fitted are some of the main specifications of this exclusive development

Each of the villas is south-facing, the optimal orientation given their location, ensuring they receive sunlight throughout the day, year-round. The homes enjoy ample natural light, reducing energy consumption and enabling natural ventilation in every room. Their south-facing pool area ensures ample sun exposure during the day, with reduced intensity in the evening, allowing for delightful dinners on the terrace with spectacular golf course views.

Villas offers a high level of energy certification-class A.

This is possible thanks to the thermal insulation of roofs and walls, the aluminium joinery with double glazing, and the installation of 4 solar panels.

New Build complex of detached villas with overall design that seeks to maintain, in every detail, the Mediterranean essence. Pure lines, textures and colours contribute to the character of the project, integrating it into the exclusive and natural environment.
