Signature homes, built to the highest standard in one of the best locations on the Mar Menor.

All villas have over 120m² of living space plus private gardens of over 100m², with off-road parking available on the plot and a 6m x 3m private pool with sunbathing platform included.

All white goods included: fridge-freezer, oven, microwave, vitro-ceramic hob, extractor-fan, dishwasher, washing machine and mini-fridge in the summer kitchen.

Pre-installation of ducted air-conditioning throughout.

Interior and exterior lighting, minus ornamental lights.

Motorized shutters.

Downstairs comprises a bright living-dining area with open plan kitchen, a bathroom and an additional downstairs room of 13m² which could be used as a third bedroom, a separate dining room or as a garage; this room will have panoramic glass doors which open outwards and which will allow a car to park inside if required (*although this internal space can be used for whatever the owners require and will be prepared as a bedroom, it will be put down as a garage on the deeds). There is also an exterior storage room and pool pump in the back patio. On the first floor there is master bedroom with en-suite bathroom, two fitted wardrobes and direct access to a balcony, plus another double bedroom with fitted wardrobes and access to balconies. A third family bathroom can also be found on the first floor.

Stairs up from the first floor lead to a private roof solarium with summer kitchen with sink, work surface and cupboard containing a mini-fridge. Fantastic views from the solarium, thanks to its seaside location.

Energy-efficient thermal insulation, plus a high level of soundproofing.

Shower screens with two options available.

TV and telephone sockets in the living room, bedrooms and in the solarium.

Interior doors, carpentry and fitted wardrobes in white.

Double-glazing with optimal solar protection.
