The houses are oriented to the sea and the South, with large front terraces, spaces that give life.

All of them with wonderful views of the sea and the Benidorm skyline.

The terraced structure of the complex makes the terraces stagger their descent to the valley with large walls of cyclopean stone and classic masonry. Natural stone. Like three thousand years ago.

And each platform brings its beauty. The highest with the water, the pools, the viewpoint and the social meeting areas. And the look at the sea, from above, on its right scale.
