Polop

The lovely Spanish village of Polop is located inland in the Costa Blanca North in an area known as the Marina Alta. It is a metropolis in the comarca of Marina Baja in Alicante. It is located to the northeast side of the Alicante province and shares the border with Callosa d'en Sarrià aided by the Guadalest river. The ancient capital of the Marina Baja is today a small village with about 2,000 inhabitants.

Polop's origins date back to the Iberian culture, as evidenced...
