## Omschrijving

Introducing the latest complex of newly built Mediterranean-style terraced houses. Each house has private paved surface parking, a basement for any arrangement and a spacious solarium with mountain views.

This is a three-storey new house with a comfortable distribution. It consists of 3 bedrooms, 2 bathrooms, a semi independent kitchen, a living room with dining area and a finished basement. At the very top there is access to a spacious solarium. There is a large terrace attached to the master bedroom. The house has the latest technology, including solar energy.

The houses also come with an outdoor plot and an indoor patio, as well as a paved parking space and a communal pool.
