Omschrijving

We present an exclusive and unique residential complex consisting of 30 spectacular apartments, designed and created to spend time with friends in a natural environment.

Properties on the ground floor will have direct access to the swimming pool from their own terraces. Properties on the first floor, in addition to access to the pool, will be able to enjoy a spectacular solarium with beautiful views.

The complex, in the form of a gated residence, has excellent common areas with a large longitudinal swimming pool, as well as green areas. All this with an unrivalled south orientation that guarantees optimal sunlight all year round.
