Omschrijving

Spectacular detached-villa with sea views

The most special feature of the property is the impressive living and dining room, with an open layout with three separate areas, a TV area connected to the large kitchen via a central island. All bedrooms have access to the outdoor terrace.

The master bedroom is also particularly noteworthy, with an en-suite bathroom with double basins, bath and shower, combined with a dressing room and a seating area, designed for comfort, which lets in light and sun and allows us to wake up looking at the sea.

The house has been equipped with parking for two vehicles and impressive outdoor areas with infinity pool, gardens, terraces and a large veranda to enjoy the wonderful Mediterranean life.
