Beskrivelse

At Lexington we are proud to have this new and excellent construction project in our portfolio. These new Townhouses in Villajoyosa are some of the best opportunities in the Costa Blanca available at the moment. Located in a small beautiful bay in the northern part of the Costa Blanca, this project could not have a better location. It is close to everything. Nature, transport opportunities, the sea, shopping and much more is all close by. The construction is close to the two nearby cities Benidorm and Villajoyosa and all they have to offer. In the area in generel, are some of the best national golf courses, including the Villaitana Golf, Las Rejas Golf, Bonalba Golf resort and many more. The townhouses are constructed in a modern fashion with a layout of either 2 or 3 bedrooms, starting at an incredbible 216.000 Euro. All the townhouses will be constructed using only the best materials, and are equipped with first class amenities such as armored doors, insulation, equipped kitchens and much more. An open Kitchen layout and large glass facades ensure that light and nature has a presence in every house. The community area has many amenities such as 3 outdoor swimming pools, a spa, outdoor gyms, playgrounds and much more. These New Townhouses in Villajoyosa are a unique and rare opportunity.
