Opis

We present an exceptional duplex home located in the exclusive Camporroso Village residential complex. The property is distributed over two floors, connected by an internal staircase. On the first floor, we find a spacious living room with integrated kitchen, two bedrooms, a bathroom, a toilet and two terraces. The main terrace serves as the entrance to the property, while the second offers stunning views of the sea and the Benidorm skyline. On the ground floor, there is another spacious living room with access to a large terrace of 27 m², which offers the possibility of adding a swimming pool, like some of the neighbouring houses. In addition, it has a large room, a bathroom and a multipurpose room, currently used as an office. The bathrooms have underfloor heating. In addition, the house has hot and cold splits. Camporroso Village offers a luxurious residential setting, creating a set of duplexes and villas that allow you to enjoy the Mediterranean lifestyle. The complex is strategically located on Avenida de América, the central axis of the large leisure area between Sierra Cortina and the Bay of Benidorm. This prime location on the Costa Blanca is unique. The urbanization has exceptional common areas: swimming pools, paddle tennis courts, Social Beach Club, gym and changing rooms. All of this is organized on different levels with impressive natural stone walls. The dimensions of these entertainment areas are significant, encompassing a plot of almost 50,000 m².
