Opis

Penthouse apartment for sale in first line

Next to Allonbay village at Playa de Torres in first line this very large penthouse apartment is now for sale with Lexington Realty. It is located just outside Villajoyosa 2 minutes walk from the beach and 5 minutes drive to Benidorm.

The Penthouse consists of 4 bedrooms all ensuite, dining area, open plan kitchen with exit to terrace and ample lounge on the main floor all in all 255 m². On the upper floor you find a 180 m² roof terrace with barbecue and plenty room for a jacuzzi as well. From all rooms and of course from the terraces there is a stunning sea view.

Further, the Penthouse disposes over 2 underground parking spaces as well and two storage rooms. From the parking level the elevator gives direct access to the apartment. In the closed area of the building there is a swimming pool.

The apartment is located 5 minutes drive from supermarkets and restaurants and a mere 10 minutes from golf courses.

Villajoyosa is 5 minutes drive away. This is a pretty seaside town that hasn't been overwhelmed by tourism. It is known locally as La Vila Joiosa (or La Vila for short), it might be only a few kilometres from Benidorm, but it couldn't be more different. It's a proper working town where normal Spanish families live, but also a great place to spend a relaxing holiday.
