Opis

This magnificent plot is located in an area of great prestige, where you can enjoy an unparalleled tranquility without giving up the comfort of having all the services nearby. With a total area of 1.000m², this property gives you the opportunity to build the house of your dreams in a privileged natural environment. In addition, this plot has the advantage of being segregated into two farms of 500 meters each, which makes it a perfect option both for those looking for a larger space and for those who wish to acquire two independent properties. Do not miss the opportunity to invest in a unique property in one of the most exclusive areas of the city. It has the possibility of building a semi-detached house and up to 6 townhouses as long as the provisions of the law are complied with. Contact us for more information!
