Beskrivning

10 south-facing detached villas with two different models available: Liège and Leuven.

With a design where light is the protagonist, Liège and Leuven stand out for the use of durable materials, with elegant finishes, luminous whites, warm colours and natural textures. The design is completed with the best features in fittings, sanitary ware, enclosures and installations, in a balanced distribution of interior and exterior space. An avant-garde design, where the details stand out, achieving welcoming and dazzling atmospheres.

This is an exceptional villa, consisting of 3 bedrooms, 2 bathrooms, a large open kitchen and a spacious living room with access to the terrace and direct access to the private pool. Each house also has a solarium.

The properties are equipped with pre-installation of air-conditioning and an alarm system with cameras. The price also includes: a domotics system with electric shutters, underfloor heating in the bathrooms, kitchen appliances, a garden with irrigation system and a private swimming pool.
