Beskrivning

Beautiful modern villa with private pool and garden.

3 bedrooms, 2 bathrooms, kitchen with living room with a total area of almost 130 m². The house has a large solarium where you can install a barbecue and a jacuzzi and enjoy the sun with family and friends. The house is completely finished and ready to move in.

In the private garden there is a comfortable swimming pool where you can cool off on hot days. The modern design and thoughtful layout of the rooms and the large windows make the house very well lit.
