Beskrivning

Stunning quality chalet with fantastic views in a quiet and picturesque area. The chalet has been completely renovated and is very well maintained with a spacious and discreet location. Direct access from the street to a double garage and pedestrian door that leads to a practical guest apartment with its own entrance, bedroom, bathroom and large terrace. The outdoor area next to the pool has an outdoor living room with a full kitchen, bar, wine cellar and a large jacuzzi. Next to the pool area you will also find an outside shower and a practical toilet and laundry room with outside entrance. The main entrance to the house leads to a hallway with access to a large laundry room with a cold room, the living room and the stairs leading up to the first floor. The living room is spacious with an open kitchen, cozy dining room and direct access to the covered terrace and pool area. From the living room there is also access to a practical guest toilet, two bedrooms with a private bathroom with underfloor heating. On the first floor you reach an open hallway that could be suitable for an office or library. The second floor consists of 4 bedrooms, all of them with access to a large open terrace with fantastic views. There is also a large bathroom with a bathtub, shower, double sink and underfloor heating. The bedroom, which is used as the master bedroom, has a large dressing room. If you want fewer bedrooms and an additional living room on the first floor, the walls of the two middle bedrooms can easily be removed and converted into a living room. A short distance from the center of Alfaz del Pi.
